DECLARATION OF TRACY
SHACKLETON

The Stull Act

I, Tracy Shackleton, make the following declaration and statement. As Senior Director of Business and Finance, I have knowledge of Grant Joint Union High School District's (claimant's) procedures and requirements related to The Stull Act. I am familiar with the activities identified by the Commission on State Mandates in its Statement of Decision on this test claim. I am informed and believe that before the test claim legislation, there was no responsibility for the claimant to engage in the activities approved by the Commission. It is estimated that the claimant will/has incurred more than \$1,000.00 to implement these new activities mandated by the state for which the claimant has not been reimbursed by any federal, state, or local agency, and for which it cannot otherwise obtain reimbursement.

I know the foregoing facts personally and if so required, I could testify to the statements made herein. I hereby declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct except where stated upon information and belief and where

so stated I declare that I believe them to be true.

Executed on 8/3/2004 in Sacramento, California.
